

# DARCEY CHERUBINI

FILM, TV, VFX & AUDIO PRODUCER

At heart a storyteller, a gifted communicator, and an instinctive negotiator, Darcey has combined these skills to optimum purpose and forged a distinguished career as an international producer of audiovisual materials for all media.

For almost 30 years, Darcey has honed her skills from the lowest general entry-level position through every step of the production hierarchy to reach the level of Integrated Director of Production, JWT, New York.

A self-described “production animal” Darcey is now keen to engage in the next challenge of her career.
